

# Information Assurance & Compliance

Employee development & Consultancy services

QT&C training and consultancy solutions deliver **Security, Compliance, Continuity and Assurance** to our customers, building confidence and trust in yours.

**The need for effective information management is more important now than ever before; a security breach or data loss can be both devastating and costly.**

Both public and private sectors, require a proven and readily achievable solution to ensure staff, policies and procedures are in line with industry best practice.

With the right combination of training and consultancy, achieving compliance does not have to be expensive nor time consuming.

For maximum effect, our on-site training and consultancy services are tailored to fit the working environment. We also take pride in delivering professionally recognised training courses that attendees can enjoy, relate to and remember.
